

End-Time Prophecies for NOW!

The information that I am about to give you is of the most important revelations, dreams, and prophecies that I have knowledge of over the past 45 years concerning America and what lies ahead.

The first was the vision the Lord gave our first President, George Washington, while at Valley Forge. He saw three great wars. First the Revolutionary War then taking place. Second, the Civil War, and thirdly, the last one that will be taking place before long which is the worst of all. It results in cities burning from the Atlantic to the Pacific, but praise God the Union stands by supernatural help, although destruction throughout the land will result in millions losing everything and millions of others their very lives by civil war, invasion, and mass atomic destruction.

The next is "The vision of A. A. Allen" given on July 4th, 1954. I was in Bro. Allen's meetings and know the man who was his prophet and traveled with him for many years. He was a fearless preacher with signs following.

The next is Tommy Hicks' Vision of the End-Times given in 1961 from a dream he had three times. Wonderful in scope and encouragement for end-time ministry.

The next is The Vision of A.C.Valdez given in 1929.

The next is a angelic revelation given to Dimitru Duduman available best by reading his book, *Through the Fire Without Burning* available at www.handofhelp.com and in abbreviated form in a list of revelations, all the above being available from one web site: The End-time Prophetic Vision: www.etpv.org Then clicking on "ETPV Essentials" for the list to select from.

The next vision would be that of Henry Gruver, the Prayer Walker and prophet whose visions concerning the invasion of America and its destruction can be found by googling them up or going to: www.revluc.com/Gruver.html (2 visions, 1985 & 1990) I know Henry and he is a great brother with a walk of faith and revelation that is amazing. He saw entire cities disappear, as did Dimitru in "America will Burn" available at the same web site.

Now, for updates and to bring all of this to our present time in 2010.

I recommend that you watch the video of John Paul Jackson, a recognized, confirmed prophet of today, called "The Perfect Storm," available on DVD from his ministry at www.streamsministries.com or can be watched from www.youtube.com in parts, one hour total, revealing the judgment that is in store for America and elsewhere in 2012. He saw in vision and reports: "The Storm will be made up of five elements: War, Politics, Economics, Religion, and Geophysical Issues."

Then the final report is from Lindsey Williams, a Christian preacher who was the Chaplain on The Trans-Alaska Pipeline who wrote the book, "The Energy Non-Crisis." If you google up his name, you can see pictures and get more information, and even read that book online or purchase it. However, the latest revelations is what I am especially bringing to your attention, and that is a series of 6 DVD's available, entitled "The Elite Speak / Tragedy, Hope, Reality" that reveal from his secular contacts with what he calls "The Elite that Control the World," what they are planning for America by 2012 and it is exactly what John Paul Jackson saw. Inflation will go up until the U.S. Dollar will be devalued to ZERO in 2012, and their plan is to make

America like a poor third world country in setting up "The New World Order" and the Satanic Messiah. And just this week I heard another prophet who shares that when the Lord caught him up into the throne room several years ago, one thing God said was that America would become like a Third World country, exactly as these other men have revealed, one from the Lord, and the other from those who have planned it! As you see the price of gold increasing, it is really the value of the dollar decreasing! To show their control, and that is their goal, several years ago when the oil was about \$150 per barrel everyone was reporting that it would continue to go up. However, the "Elite" told him it would be down to \$50 per barrel within 4 months, and it came to pass exactly as they said. They told him many other things that you will not find out through TV news and other regular sources, and the info is truly very revealing!!! Get out of debt and paper ASAP! These DVDs can be purchased from www.prophecyclub.com or calling 785-266-1112, but since Lindsey did not copyright them but encourages God's people to make copies and get the info out, you can purchase or obtain copies from those who have a set and either you or they are able to duplicate DVDs.

Over 10 years ago John McTernan wrote *God's Final Warning to America* about how God judges America for three major sins: "abortion, homosexuality, and the division of Israel," when committed officially by judging within 24-48 hours with natural disasters or economic loss. The evidence is amazing and I have been tracking it for over 10 years. Very accurate! In 2006 he wrote *As America Has Done To Israel* revealing how God has blessed America as we have supported the Jews from our beginnings and has judged us and is now severely judging us as we seek to not only divide Israel but even Jerusalem, against the second of God's three eternal covenants, the blood covenant with Abraham and the Jews and the land He has given them. I suggest you read it and keep current with these events by checking out his blog spot regularly at: www.JohnMcTernansinsights.blogspot.com You'll understand why what is happening to our beloved country is happening exactly as it is!

Remember, God has called each of us to a life of holiness in every respect saying "**Be ye holy as I am holy**" (1 Peter 1:14-17; Romans 12:1-2) and the "**obedience of faith.**" (Romans 1:5; 16:26)!

Brethren, I believe all of the prophecies referred to above are true, and will help any Christian to understand where we are in God's Time Table, and what to expect and how to prepare in many respects. It also reveals the difference of how various Christians will respond and are now responding to the end-time revival and anointing of the Holy Spirit concerning the anointing that God has for each one of His obedient children. Some will receive and some will reject, and it is even now being poured out in some places through some ministries. (See: Tommy Hicks' End-time Vision)

May The Lord Jesus Christ bless and keep you, and may you **buy of Him** the anointing in order to "**anoint thine eyes with eyesalve, that thou mayest see**" (Rev. 3:18).
