

# Great is the Lord and Greatly to be Praised!

(Chorus -- MP3 live recording coming.)

Our God is great  
Our God is awesome  
Our God is great  
Our God is awesome  
No one can compare His greatness and might  
No one in this world, no one in heaven  
Can be greater than the great "I AM"  
He's the Alpha and Omega  
The Beginning and the End.  
He's the First and the Last  
The Author and Finisher of our faith  
He's the Lion of Judah  
The Lily of the Valley  
He's the Rose of Sharon  
The Bright Morning Star.

Yes, indeed! Our God is great!

Imagine, I just put that title on top of this page and "boom"! He gave a song to go along with it. He's an awesome God. No one can compare with Him. In His goodness, in His love, in His mercies, in His greatness. How wonderful to live in this life having Him, only Him, as our God.

Let me cite here some scriptures that show the greatness of God:

*"You shall not dread them, for the Lord your God is in your midst, a great and awesome God."* (Deut. 7:21)

*"For the Lord your God is the God of gods and the Lord of lords, the great, the mighty, and the awesome God who does not show partiality, nor take a bribe."* (Deut. 10:17)

*"For great is the Lord and greatly to be praised; He also is to be feared above all gods."* (I Chr. 16:25)

*"For the Lord Most High is to be feared, A great King over all the earth."* (Ps. 47:2)

*"Ah Lord God! Behold, Thou hast made the heavens and the earth by Thy great power and by Thine outstretched arm! Nothing is too difficult for Thee,"* (Jer. 32:17)

*"For from the rising of the sun, even to its setting, My name will be great among the nations, and in every place incense is going to be offered to My name, and a grain offering that is pure; for My name will be great among the nations." says the Lord of hosts.*" (Mal. 1:11)

There are more scriptures which declare of God's greatness which I left out lest I won't have any space to write down here what God wants me to share with you.

Because our God is the great one, and no other god is greater than Him, we as His children ought to have fear for Him. This fear should stop us from doing anything that will mar His wonderful name to others. Our Christianity should show that there is a great God dwelling in us. Our action, deeds, words we say, and even our thoughts should manifest His magnificent presence within us.

We should not allow any negative thoughts to dwell in our minds because we are serving a living and great God. Nothing is impossible with Him so all we need to do is ask Him and He will do it for us if what we are asking is within His perfect will. Because of His greatness, He knows everyone and everything

He has created, including nature. All the needs are being met as long as we are obeying Him and serving Him the way we should.

We obey Him by reading His word everyday and asking Him what He wants us to do for Him for each particular day. He reveals to us His will through His word and by His Spirit. His anointing will be upon us as we remain faithful to His commandments.

We ought to offer up praises to Him as soon as we get up in the morning and even throughout the day no matter how busy we are. This is where praying in the spirit comes into play. Our spirit is worshipping Him while our soul and body are doing the things we need to do for the day in our service to Him. We need to get hold of Him every moment. We need to commune with Him wherever we are and whoever we are with. Who would not like to talk to someone who is great! If a person of authority or fame comes into town, wouldn't you like to hear or even see him/her, at least even for a moment? How much more our God who is always available if we only take time to include Him in our daily tasks. He loves our company no matter who we are or where we are. He will never say no when we come to Him. His arms are always outstretched to us beckoning us to come.

*"Come...and I will put you into my bosom and whisper to you - "I love you, my daughter. I want to spend time with you. You are the apple of my eye. Just come. Love me with all your heart, with all your soul, with all your mind and with all your strength. How I long for your love. How I long for your time with me. I yearn for you. Just come...come...come!"*
