

I SAW the RUSSIANS ATTACK the UNITED STATES

If a country sins against Me by committing unfaithfulness, and I stretch out My hand against it, destroy its supply of bread, send famine against it and cut off from it both man and beast, even though these three men, Noah, Daniel and Job were in its midst **by their own righteousness** they could only deliver themselves, declares the Lord God. Ezekiel 14:12-14

I have heard and read Henry's vision several times, and each time it seems different.

This page compiles several times, not just one page or one hearing.

I have included 2 audios of Henry I encourage you to listen to. DISREGARD the HOST!

Henry Gruver has had visions of heaven and the end of America. Hear his vision of heaven, his death experience in 2 audios.

Hour 1

Henry's vision of Russia attack on USA east coast - and we were blind!

Begins with a song and prayer

New York City - So many have seen New York City destroyed
Gruver saw a missile from Russian sub, and the entire city of New York disappears.

FLORIDA - Explosions, Tampa and other cities - disappearing.

WASHINGTON, Seattle - Explosion

CALIFORNIA - Explosions up and down the coast - cities disappear

Hour 2

Amazing account of Henry spiritually transported to Rome with 6 others for a powerful Divine Encounter with demons.

Account of his death, from which he returned after several hours in heaven.

He confirms a new one world currency soon. Several countries have been discussing it.

When the attack comes on America, GOD said to Henry -
Watch what I will do

You will say, I will go up against the land of unwalled
villages.

I will go against those who are at rest, that live securely,
all of them living without walls and having no bars or gates.
Ezekiel 38:11

You will come up against a land of unwalled villages.
This is the USA, said Gruver

Henry Gruver 's 1985 VISION & January, 1990

I was in Wales, on December 14, 1985.

I went up on top of the Eagle tower in the Caenarvon Castle.

EAGLE represents the USA.

It had eight points on it. Each of the points all it were eroded
eagles.

This castle was built in the 12th century.

I was overlooking the Irish Sea toward the North Sea

Norway, Sweden, Denmark, the tip of Scotland, Greenland, Iceland
in that area.

All of a sudden I was up above the Earth looking down upon the
earth

like a globe. As I looked down on the earth, I saw all of these
massive

amount of all kinds of ships and airplanes. They were coming
from up

above Norway, out of this inlet.

They headed down between the United States and Europe.

They literally covered the whole Atlantic.

Then I wanted to see what was happening to the United States.
 I looked over on the globe at the United States.
 I saw coming out of the United States these radio communication
 towers.

I saw the jagged lines I like they draw to show that
 communications are coming out.

All of a sudden, as I was looking down on them they began to
 sparkle

down on the earth like dust. I thought

Oh no! They are not getting through!

They don't know what is happening! They are totally oblivious!

2009 UPDATE

Henry Gruver said today that he now knows what he saw were
 cellphone towers.

Then I began to see all of these submarines emerging from under
 the surface.

I was surprised at how close they were to our borders! They
 were in our territorial waters! Then I saw the missiles come out
 of them!

They hit eastern coastal cities of the United States.

I looked over across the country where my family was over in the
 northwest side, and I saw the submarines. I saw the missiles
 coming out
 and hitting the western coastal cities.

I cried out and I said, Oh God! Oh God! When will this be, and
 what shall be the sign of its coming?

I heard an audible voice speak to me amid say, When Russia opens
 her
 doors and lets the masses go. The free world will occupy
 themselves with
 transporting, housing and feeding and caring for the masses, and
 will

let down their weapons and cry peace and safety. Then sudden destruction will come. Then is, when it will come.

That was December 14, 1984. Glastnost and Parastroika were unheard of at that time!

1 Thessalonians 5:3

For when they shall say, Peace and safety; then sudden destruction cometh upon them,
as travail upon a woman with child; and they shall not escape.

Ezekiel 38

Thus saith the Lord GOD, It shall also come to pass, that at the same time

shall things come into the mind. and thou shalt think an evil thought.

And thou shalt say, I will go up to the land of unwalled villages;

I will go to them that are at rest. that dwell safely, all of them dwelling

without walls and having neither bars nor gates. To take a spoil,

and to take a prey; to turn thine hand upon the desolate places that are now inhabited, and upon the people that are gathered out of the nations,

which have gotten cattle and goods, that dwell in the midst of the land.

Sheba, and Dedan (Saudi Arabia) and the merchants of Tarshish, (Britain)

with all the young lions shall say unto thee, Art thou come to take a spoil?

Have you gathered thy company to take a prey? To carry away silver and gold,

to take away cattle and goods, to take a great spoil?

Amos 3:7

Surely the Lord God will do nothing, but He reveals His secret to His servants the prophets.

January 1990 VISION

St Johns, North Portland, Oregon

I saw missiles coming out of the waters of the Pacific Ocean,
airplanes coming in towards certain cities along the Northwest.
When it looked like they would do their devastation,
I heard a voice speak from heaven, like thunder. It said,

Watch what I will do!

The mountains along the coastal range began to shake and tremble
and puffs of smoke shot out of them in all directions,
into the paths of the missiles and the planes.
The missiles just hit the ground, didnt explode.
The smoke had destroyed the missiles ability to navigate,
to fly through the air, and they didnt hit their targets.
It was also like shields or domes came over certain cities.
Even the contaminated air couldnt go into those areas.
It went around them.

I saw many vehicles coming in on our waters,
like ships opened up in the front, and all these personnel,
carrying things, came out armored, right up on our beaches,
and all these thousands of people began to head out.
I saw the proud look on the faces of those that were driving the
vehicles.
I heard, again, the thunderous voice from the heavens,

Watch what I will do!

Suddenly, mountains puffed out smoke,
and rivers of golden lava began flowing down a path,
right across the beaches in front of the invaders.
Terror came on their faces, and they turned back and
headed to the sea, fleeing for their lives,
as the waters behind them turned to steam.
And the Lord said,

**I have people in this land that I will not let them touch,
for they are Mine! They are My chosen,
and I will keep My chosen safe!
For I have a work for them to do yet in this land,
and in many lands.**

Henry Gruver 1985 VISION

Another source

I saw a massive military movement coming out of an area up by the Arctic, down between the United States and Europe.

And making a curl all the way around the Horn of Africa towards the Persian Gulf. Now that's significant.

I looked over towards the United States and saw Russian subs parked right almost on our beaches.

You could see the submarines down under the water, aimed at America.

I saw them all down the East coast.

I saw the submarines from way up by Washington state all the way down towards San Diego poised in the same way.

They are sounding the alarm. We're going to be under attack. The siege has been waged.

I said Oh GOD! THEY WONT EVEN KNOW WHAT HIT THEM!

I looked down on the eastern seaboard at the submarine right off from New York City and

I saw the missile come right out of that submarine and go right up and come right over the

City of New York and the entire city disappears.

Then I looked down toward Florida, and I could see another explosion take place.

I looked across to the Pacific Northwest, another explosion took place up by Seattle.

And another one down by San Francisco, and another toward Los Angeles, and another down toward San Diego.

There I stood in shock as I watching these explosions take place and these cities literally disappearing from off the face of the earth.

The next instant I was standing back down on the Eagle Tower.

I found myself saying, Oh God, if this has not happened. What will be the sign of it and of its Time?

God spoke to me saying

When Russia opens her gates and lets the masses go.

The free world will occupy themselves with transporting, housing, and caring for the masses.

We will begin letting their weapons down crying peace and safety. And that's when it will happen.
